# INTRODUCTION

At International House we pride ourselves in designing and managing fun, modern and educational summer programmes for international learners of all ages from around the globe.

Quality and excellence are at the core of our ethos, and this combined with an exciting and fun environment has helped us in becoming one of Ireland's leading summer schools. Whether you choose our new residence in University College Cork or our homestay programme at Sutton Park School you will receive the care, attention and a truly unique experience that will create lifelong memories.

The learning and social environment in our centres throughout Ireland are uniquely interactive and encouraging. Through a genuinely supportive and active teaching and social staff we build on language ability and confidence.

University College Cork is host to International House's NEW summer centre. As an extremely proud city that has boasted visits from those such as Michael Jackson to the recent visit of Queen Elizabeth, Cork is one of Ireland's most attractive tourist destinations.

In Cork, we have 2 full board options for accommodation:

### Junior Summer Homestay Programme

The programme includes:

- 15 hours tuition per week in mixed nationality classes (Maximum class size: 15)
- Full board homestay accommodation including packed lunch sharing a twin room with a student of a different nationality
- Afternoon activities (Monday-Friday)
- Half day excursion to Cork city centre every week
- One evening activity per week
- Full day excursion every Saturday
- Use of course books and materials
- End of course certificate

Host family accommodation is offered on a full-board basis with a family who lives close to the University. All of our families are visited to assess their suitability to host our students and all are provided with guidelines detailing their obligations and responsibilities to the young people in their care. The majority of our host families are parents themselves and many still have young children and teenagers living at home. Accommodation is in a twin room, sharing with a student of a different nationality.

### Junior Summer Residential Programme

The programme includes:

- 15 hours tuition per week in mixed nationality classes (Maximum class size: 15)
- Full board single room campus residential accommodation (varied menu in college canteen for all meals)
- Daily Afternoon & evening activities
- Half day excursion to Cork city centre every week
- Full day excursion every Saturday
- Use of course books and materials
- End of course certificate

Our new Summer Residential Programme at University College Cork boasts modern university campus accommodation with one of Ireland's most established and reputable universities. The residence is located in a nature rich area of the campus and provides high quality single room accommodation for our students during the summer period. Each apartment has a shared fitted kitchen, bathroom and living area. Bed linen is supplied and laundry facilities are available.

# YOUNG ADULT SUMMER PROGRAMME

(Age 17+)

Our young adult programme in Dublin's city centre is located on one of Dublin's most fashionable streets. Dublin is the capital city of Ireland and is now one of Europe's vibrant leading cities for young people to live, study and work. Trinity College lies in the heart of the city and as one of the leading universities has inspired writers, musicians, poets, artists and scientists. It was these Dublin streets where acts such as U2, The Corrs and many traditional, classical and jazz artists began their careers. Likewise many artists display their produce in the many organised outdoor and indoor exhibitions throughout the year.

The programme offers:

- 20/25 Lessons per week in mixed nationality classes
- Half board homestay or self-catering apartment accommodation
- Airport Transfers
- Optional
  - Afternoon activities Monday-Friday
  - Evening activities & full day excursions

## Homestay Accommodation

For students who join the Young Adult Programme at IH Dublin, accommodation is offered with carefully chosen host families. All of our families are visited to assess their suitability to host our students and all are provided with guidelines detailing their obligations and responsibilities to the young people in their care. The majority of our host families are parents themselves and many still have young children and teenagers living at home.

## Self-Catering Accommodation

Our Self-Catering Programme at our city centre school uses a combination of apartments located in the heart of Dublin's city centre. Studio apartment accommodation is also available.
